**DÉCORHERITAGE** is a subsidiary of JUSH ENTERPRISES Pvt (Ltd). It was established on the 1<sup>st</sup> of January 2004 and it was then registered in February 2018.

Edit with WPS Office

**DÉCOR HERITAGE** has grown from a small business into one of the most sought independent specialty window covering retailers in Harare. We understand and recognize today's fast paced lifestyles and we strive by keeping up with changes while never leaving traditional, contemporary or classical designs behind. We provide the highest quality and name brand products for the lowest prices as well as offering the ease, convenience, assurance and expertise of a personal interior decorator.

We are committed to exceeding customer expectations in all aspects of window covering experience along with remaining one of the most respectable and reputable names in the window covering industry.

We look forward to your visit to our showroom and we would be honored to visit you in your home.

### **Vision**

To be leading home and office décor supplier in Southern Africa

### **Mission**

Provision of high quality home and office décor solutions at affordable prices.

### **Values**

- Market focus – we value the needs of our customers in everything we do,
- Honesty & Integrity – we mean what we say,
- Time consciousness – we endeavour to do everything within agreed timeliness,
- Excellence – we take pride in brilliance and flawless execution,
- Ethical conduct – we always act within generally accepted norms, laws, customs and corporate governance requirements,
- Team work – we believe that we can achieve more when we work as team.

***Sales Tool: connect with the decision-makers.***

## **PRODUCTS**

The objective of **DÉCOR HERITAGE** is to cool your home, offices and protect your furniture from exposure to adverse sun – rays with the manufacturing of the following:

### **Vertical Blinds & Venetian Blinds**

Vertical Blinds (Vertical Drapes) combine luxury and elegance with style and substance at affordable prices. Aluminium Venetians are a classical, refreshing and natural alternative for both modern and traditional architecture. There is a colour and slat style to suit all decorating situations and budgets.

### **Wooden Blinds**

Wood Venetian Blinds are incredibly versatile and perfect for creating a modern, uncluttered look. Simple to use controls make them ideal for filtering or cutting the light out completely.

The Blinds are available in popular colours ranging from modern light woods to the more traditional finishes.

### **Roller Blinds**

Roller Blinds are a practical and affordable window covering solution for both home and office and are available in spring or chain operated systems with a huge range of fabrics - from Sunscreen to Block Out (with various trims). The open weave of the Sunscreen range can add a relaxed appearance to any room. By allowing natural light into the room they create a positive atmosphere with the attractive contemporary look of open-living.

Edit with WPS Office

### **Roman Blinds**

For a contemporary look that combines soft fabric panels with a functional operating system Roman Blinds (Roman Shades) are the ideal window covering solution - with excellent room darkening and insulation properties.

### **Curtains & Curtain Tracks**

A curtain sometimes known as drapes mainly in united states is a piece of cloth intended to block or obscure light or drafts or in the case of a shower curtains water .A curtain is also the movable screen or drape in a theatre that separate the stage from the auditorium or that saves as a backdrop ,The curtains are also made from a thicker fabric ,which is ideal if you are looking to darken the space or cool it down.Our range of curtain tracks, curtain poles and curtain rails add style to any home. The right curtain track, correctly fitted, will make a big difference to the hang of your curtains and the whole look of your room...!

### **CarShades**

Designed to protect your cars from harmful UV Light.Comes in different designs,free standing,wall mounting and frames covered in durable 90% or 80% shade netting material.

### **Carpets**

A carpet is a textile floor covering typically consisting of an upper layer of pile attached to a backing ,The pile was traditionally made from wool but since the 20<sup>th</sup> century ,synthetic fibres such as polypropylene ,nylon or polyester are often used ,as these fibres are less expensive than wool.

### **Office Furniture & Office Chairs**

Office Furniture is necessary as part of total environment in which the employee works .It can be described as a basic facility with which an employee generally identifies himself or herself.Office chair or Office desk is a type of chair that is designed for use at a desk in an office.It is usually a swivel chair ,with a set of wheels for mobility and adjustable height .Modern office chairs typically use a single ,distinctive load bearing leg,which is positioned underneath the chair seat.
